The temple is also famous for the **Kaal Sarp Dosh Nivaran Puja in Trimbakeshwar**, which helps people who are facing repeated problems or sudden troubles because of Rahu and Ketu in their horoscopes. This puja works very well when done at Trimbakeshwar because the spiritual energy of this place supports healing and positive growth.

The pandits at Trimbakeshwar perform every step of the ritual very carefully so that devotees get the full benefit of the puja. This special ceremony includes important steps like taking the

sankalp, worshipping Lord Shiva, chanting mantras, and doing the final ahuti.

It usually takes a few hours to finish, and the puja is done either inside the temple or at approved places nearby.

Many devotees search for ways to reduce the bad effects caused by planetary problems. For this, the Pandit Ankit Guruji also suggests **Kaal Sarp Dosh Remedies** that are simple to follow and spiritually helpful. These remedies help balance your energy and bring more peace to the mind. Many people who do the puja at Trimbakeshwar feel less stress, better relationships, and a clearer direction in life.

Along with the main rituals, the pandit may also give simple practices that the devotee can follow at home for long-term benefits.
